2026 New Year, New Laws In Oklahoma To Be Aware Of: Ignorance Of The Law Is Never An Excuse.

### OKLAHOMA NEW DUI LAW

- ☐ Makes it a felony for drivers who:
- ☐ Have a blood alcohol level of .15 or higher
- ☐ Speed 20mph or more over the limit or drive recklessly
- ☐ Evade police or have a child in the car

### Oklahoma's Updated Move Over Law

The law requires drivers to slow down and, when possible, move over to the next lane when approaching a vehicle with flashing lights. Failure to do so will now result in steeper penalties than before.

Oklahoma also bans texting while driving for all drivers and, as of **November 1, 2025**, prohibits holding a cell phone in active school and work zones. Only hands-free use is allowed in these critical areas.

Penalties for texting include a **\$100 fine**, with higher fines for repeat offenses. Violations in school or work zones may result in increased fines and potential license suspension if an accident occurs.

**Commercial drivers** face stricter rules, with hand-held phone calls banned statewide.
